

**Hurricane Harvey Response 2017
Community Liaison (CL) Report**

TO: Samuel Tate

FROM: Sherronda Phelps, Adolphus Talton, Donnett Patterson

SUBJECT: 9/22/2017 Daily Report

COUNTY: Wharton and Matagorda County

DATE: 9/22/2017

SUMMARY:

- **Met with Kathryn Maday – MDRC 2 Wharton Mitigation**
 - **Inquired on any additional outreach materials needed to disseminate**
 - **FEMA reps are still needing information on how to address contamination in yards and what to do.**
 - **FEMA rep noted concerns on drinking water and possible testing kits if available for residents or how should the residents address the matter.**
- **Visited First United Methodist Church**
 - **Attempted to meet with church officials in office, but was closed**
 - **Spoke with an Amy Dutcher on any concerns she knows of with the members of church**
 - **Main concern right now is problems with well water in a small community named Elm Grove, needing seeking resources to address this issue**
 - **Will send electronic outreach literature to disseminate to members on topics of well water**
- **Met with Evelyn Ford – DRC Bay City Hazard Mitigation**
 - **Provided them with additional printed outreach materials for their volunteers to disseminate.**
 - **She requested digital copies which will be provided via email**

QUESTIONS/COMMENTS

- **Long term EPA support identified as a potential need due to lack of other resources.**

COMMUNITY CONCERNS

- **Residents in Elm Grove have problems with well water, essentially anyone without city water has an issue with well water.**
